Choose True or False

Hello! My name's Hadi. I'm thirteen years old and I live in Pahang. I just want to talk about how my friends and I spend our free time. My best friends are Ali and Hazim. They are in the same class as me. If the weather is nice, we play football or basketball in the park. When it is rainy, we go to the sports centre. Here we usually play table tennis or go swimming. I also play guitar and practise a lot. At home, I usually listen to music or read books. In the evening, I sometimes watch TV. I often invite my friends over for dinner or a cup of tea and we play chess or dominoes. On the weekend, we go hiking, fishing or sometimes we go to the cinema.

Hadi and his friends always play football and basketball, even when it is rainy.
