

Read what each person says about himself or herself. Write three words that best describe each person.

aggressive	decisive	flexible	honest	jealous	sensitive
confident	determined	✓ happy	impulsive	realistic	sympathetic

- I enjoy life. I'm pretty easygoing. If my friends want to do something, I'll usually go along with their plans, unless they're really crazy. I know what I'm capable and not capable of.

happy _____

- My friends often call me when something is worrying them. They say I'm a good listener, and I always tell them the truth. I don't like to see my friends upset or depressed.

- I'm a pretty motivated person. I always know what I want. Once I decide to do something, I do it. I always try my hardest to achieve my goals.

- What are my worst qualities? Well, I always want things that other people have. I sometimes lose my temper in stores and can shout if I don't get what I want. I guess I often do things without thinking about the consequences.
