

I'm at a payphone, trying _____ home

All of my change, I spent on you

Where have the times gone? Baby, it's all wrong

Where are the plans we made for two?

Yeah, I, I know it's hard _____ the people we used _____

It's even harder _____ that you're not here next to me

You say it's too late _____ it, but is it too late _____?

And in our time that you wasted, all of our bridges burned down

I've wasted my nights, you turned out the lights

Now I'm paralyzed

Still stuck in that time when we called it "love"

But even the sun sets in paradise

I'm at a payphone, trying _____ home

All of my change, I spent on you

Where have the times gone? Baby, it's all wrong

Where are the plans we made for two?

If happy-ever-afters did exist

I would still be holding you like this

All those fairy tales are full of shit

One more fucking love song, I'll be sick, oh, yeah

You turned your back on tomorrow 'cause you forgot yesterday

I gave you my love _____, but you just gave it away

You can't expect me _____ fine (oh), I don't expect you _____ (yeah)

I know I said it before, but all of our bridges burned down
