Exercise:

1. Listen and complete the words in the blanks.

NEVER SAY NEVER

Never say (x4)

(Pick it up, pick-pick-pick it up, pick it up, pick-pick-pick it up)

Yeah, yeah, never, ever (x4)

(Pick it up, pick-pick-pick it up, pick it up, pick-pick-pick it up)

See, I never thought that I could through fire
I never thought that I could the burn
I never had the strength to take it higher
Until I reached the point of no return

Justin Bieber

And just no turning back
When your heart's under attack
Gonna give everything I have
 my destiny

Justin Bieber

I will never say never, I will fight
I will fight till forever, to it right
Whenever you knock me down, I will not stay on the ground
Pick it up, pick it up, pick it up, pick it up, up, up
And never say never

Justin Bieber

Ne-never say never (x3)
(Never say it, never, never say it)

I never thought that I could feel this power
I never thought that I could feel this free
strong enough to climb the highest tower
And I'm fast enough to run across , oh

'Cause there's just no turning back (oh, no)
When your heart's under attack (oh, no)
Gonna give everything I have
'Cause this is my destiny

I will never say never, I will fight (never say never)
I will fight till forever, to make it right
Whenever you knock me down, I will not stay on the ground
Pick it up, pick it up, pick it up, pick it up, up, up
And never say never

Here we go, guess
J Smith and JB, uh, huh
I gotcha lil bro, I can handle them
Hold up, aight? I can handle them
Now he's bigger than me, taller than me
And older than me and stronger than me
And his arms a little bit longer than me
But he ain't on a JB song with me
I be trying to chill, they be trying to sour the thrill
No pun intended, was raised by the power of will
Like Luke with the force, if push comes to shove
Like Kobe in the 4th, ice water for blood, let's go
I gotta be the best, and yes, we're the flyest
Like David and Goliath, I conquered the giant

So now I got the world in my hand
I was born from two stars, so the Moon's where I land, I'm gone
I will never say never, I will fight (never say it, never, never say it)

I will fight till forever, to make it right (okay, okay)
Whenever you knock me down, I will not stay on the ground
