1. Read the passages and organize the story in the correct order.

<p>He came here with my brother. He was staring at me as I was sitting on the floor with my shorts and panties down and my legs open and toilet paper around me!</p>	
<p>I came out of the bathroom with my shorts and panties around my ankles and I went to the closet to get more toilet paper.</p>	<p>It was like time stopped because neither of us moved or said anything.</p>
<p>The toilet paper had finished so I had to get more.</p>	<p>As soon as I got it,</p>
<p>I walked back to the bathroom and then I heard someone coming up the stairs.</p>	<p>Not enough toilet paper!</p>
<p>He went back downstairs and I went back to the bathroom completely humiliated.</p>	<p>The person who had come up was my crush!!</p>
<p>This happened a few weeks ago and I still can't look him in the eye whenever I see him.</p>	<p>Since no one else was home (or so I thought),</p>
<p>I was at home and I was on the toilet.</p>	<p>I tried to run so they wouldn't see me but I ended up falling down.</p>
