

## Student B

e.g.

A: What clothes do you have in B1?

B: I have an old hat.

|   | A                                                                                   | B                                                                                   | C                                                                                     |
|---|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| 1 |    | <i>an old hat</i>                                                                   |    |
| 2 |                                                                                     |   |                                                                                       |
| 3 |  |                                                                                     |  |
| 4 |                                                                                     |  |                                                                                       |
