

I Will Go to Dufan with My Family

This Saturday, I will go to Dufan with my family. We will leave early in the morning so we will have more time to enjoy the rides. When we arrive, we will see the big entrance and hear cheerful music. I will ride the Halilintar, which will go very fast and make me scream. Then, I will try the Kora-Kora, a ship that will swing high in the air. My mom will pack snacks, so we will eat lunch when we get hungry. After lunch, I will go to the Rumah Miring, and it will make me laugh because everything will look tilted.

Later, I will ride the Ferris wheel, and it will take me high in the air. From the top, I will see the whole park, and the view will be amazing. Before we leave, I will buy cotton candy, and it will taste so sweet. The lights at night will make Dufan look magical, and I will feel so happy. When I get home, I will tell my friends about my fun day. It will be the best day ever!
