Land transportation is the way we move from one place to the next on land or on the ground. Below are some examples of land transportation.

| Vehicles Used on Land | | | | |
|-----------------------|--------|--|--|--|
| Bicycle | | | | |
| School bus | | | | |
| Car | | | | |
| Dump truck | | | | |
| Motorcycle | | | | |
| Fire engine | | | | |
| Train | | | | |
| Police car | POLICE | | | |
