

Stitch and Angel's Party

Stitch and Angel have a party. They invite a princess, a dog, and a unicorn. The princess brings a big pizza. The dog jumps and dances. The unicorn makes stars in the sky.

Stitch and Angel dance and laugh. But oh no! The wind takes the pizza away! Stitch is sad. The unicorn uses magic. The pizza comes back. Everyone is happy!

They eat and look at the stars. "This is the best party!" says Angel.
