My vacation

last summer my family and i went on a trip to new york city we visited many famous places, including the statue of liberty times square and central park. my sister emma was so excited because she had never been to a big city before.

on the first day we took a tour bus it was a hot sunny day, and there were many people walking around. we saw a street performer playing the guitar he was very talented. my dad said, this is amazing lets take a picture!

Later, we went to a restaurant called joey's pizza. the food was delicious i ordered a big slice of pepperoni pizza and a cold soda. my mom asked, "do you like your food" I nodded and smiled.

at night, we went to the top of the empire state building the view was incredible we could see all the lights of the city. emma said, "wow this is the most beautiful thing I have ever seen"

the trip was unforgettable and I cant wait to go back next year.
