

### Fairy Tale: The Brave Little Bunny

Once upon a time, in a big, green forest, there lived a little bunny. She was very small, but she was also very brave. Every day, she played happily with her friends. She jumped joyfully through the tall grass and ran quickly to her favorite spot under the big tree.

One sunny day, the little bunny heard a loud noise. She looked around curiously and saw a big, dark cloud in the sky. The wind was blowing strongly, and the trees were shaking. The little bunny felt a little scared but decided to act bravely. She ran quickly to warn the other animals.

"Run fast! The storm is coming!" she shouted excitedly.

All the animals ran to safety, but the little bunny stayed behind. She wanted to help the birds. The birds were flying nervously in the sky, and they didn't know where to go. So, the little bunny spoke kindly to them.

"Follow me, I know a safe place!" she said gently.

The birds followed the little bunny, and they all reached a safe place in the forest. The storm passed, and the sun came out again. Everyone thanked the little bunny for being so brave and kind.

From that day, the little bunny was known as the bravest and kindest bunny in the forest.
