

Insurance Companies

INSTRUCTIONS: Write the following notes in your Social Subjects book.

Insurance Companies provide many services to The Bahamas. Here are a few of them:

1. **Health Insurance** – they assist us with the cost of medical care.
2. **Property Insurance** – they assist with protecting our properties such as houses, cars, boats, etc.
3. **Life Insurance** – they pay a sum of money to the family and other persons (beneficiaries) when the life insurer dies.

Insurance companies provide jobs for the people of The Bahamas. They also lend money to some of their customers.
