- 8 It's good to gesture comments online and then wait for people to reply to them.

- 3 ★★ Complete the spidergrams with words from Exercise 1.

- 4 ★★ Complete the story with the correct form of words from Exercise 1.

I met my friend Kazue yesterday for the first time! Actually, I first met her online about six months ago. She's from Japan and now she's visiting my country with her family. I ¹ greeted her at the airport when she arrived. In her emails, she ² described herself as quite small, but in fact she's as tall as me. I also met her brother and her parents. I wanted to ³ shake hands with them, but Kazue quietly ⁴ whispered in my ear that Japanese people don't usually do that when they meet. I already knew what her brother looked like, because Kazue sometimes ⁵ uploads photos of him online. He was very friendly and he ⁶ listened a lot. Kazue's parents don't speak English, but Kazue ⁷ translated everything I said into Japanese. Kazue and her family were tired and wanted to go to their hotel. I arranged to meet Kazue the next day and we ⁸ said goodbye as they drove away in a taxi.

Explore it!

Guess the correct answer.

People originally shook hands because ...

- a they wanted to find out how strong the other person was.
- b they wanted to show that they didn't want to start a fight.
- c they wanted to check that the other person had clean hands.

Find an interesting fact about greetings and send the question in an email to a classmate or ask them in the next class.
