I <sup>1</sup> *couldn't* play the piano very well when I was younger. I didn't like practising because the piano was in our living room downstairs. That meant everyone had to listen to me when I played and no one <sup>2</sup> \_\_\_\_\_ watch TV or read. Now I've got an electric piano and I <sup>3</sup> \_\_\_\_\_ use headphones. It's great because my family <sup>4</sup> \_\_\_\_\_ hear anything I'm playing! So now I'm practising a lot and I <sup>5</sup> \_\_\_\_\_ play quite well.

I know that I <sup>9</sup> \_\_\_\_\_ be able to swim like a fish after just a few lessons, but I just want to be confident in the water so that I <sup>10</sup> \_\_\_\_\_ be able to swim with my friends next summer!
