TRAINING SEASON

Are you
Someone that I can give my heart to?
Or just the poison that I'm drawn to?
It can be hard to tell the difference late at _____
Play fair
Is that a _____ in your nature?
Or are you tricky? 'Cause I've been there
And, baby, I don't need to learn my lesson twice

But if you really _____ go there
You should know I

Need someone to hold me close
Deeper than I've ever known
Whose love feels like a rodeo
Knows just how to take control
When I'm vulnerable
He's straight talking to my _____
Conversation overload
Got me feeling vertigo

Are you somebody who can go there?

'Cause I don't wanna have to show ya
If that ain't you, then let me know, yeah
'Cause training season's over

I _____
To see my lovers in a good light
Don't wanna do it just to be nice
Don't wanna have to teach you how to love me right
I hope
It hits me like an _____
Someone with some potential
Is it too much to ask for?

Who understands I

_____ someone to hold me close
Deeper than I've ever known
Whose love feels like a rodeo
Knows just how to take control
When I'm vulnerable
He's straight talking to my soul
Conversation overload

Got me feeling _____

Are you somebody who can go there?
'Cause I don't wanna have to show ya
If that ain't you, then let me know, yeah
'Cause training season's over

Can you compete? Now is your time
Run when you hear that whistle blow
Are you on my team or stuck on the sidelines
Waiting for someone to tell you to go?
For someone to tell you to go
