WRITING PRACTICE

TOPIC: Write about an ancient place you know

- What is the name of the place?

- Where is it?

- What can you see there? (e.g., old buildings, statues, special things)

- Why do you like it?

Example:

Hoi An is an ancient town in Quang Nam Province, Vietnam. It is a very famous place to visit because of its beautiful old buildings and rich history. Hoi An is near the Thu Bon River, and it used to be a busy trading port many years ago.

When you visit Hoi An, you can see many special things. There are old yellow houses with wooden doors, colorful lanterns hanging on the streets, and small temples. You can also visit the Japanese Bridge, which is very old and beautiful. In the evening, the lanterns light up, and the town looks magical.

I like Hoi An because it is peaceful and full of history. Walking in the town feels like going back in time. The food there is also very delicious, especially "xoi ga" and "banh mi". Hoi An is a special place, and I think everyone should visit it at least once.
