Last weekend, we had an exciting adventure by the river. My friends and I decided to build a raft using plastic bottles and wood. We worked (1) _____ to make sure it was strong and safe. After finishing, we tied it with a rope and pushed it into the water.

At first, everything was going smoothly, but then, the raft started (2) _____ sinking. We paddled (3) _____, trying to reach the shore before it went underwater completely. My friend Tom, who didn't know how to

swim (4) _____, started panicking. Luckily, I swam

(5) _____ and helped him back to the shore.

After the raft adventure, we decided to have a race. I wanted to win, so I ran (6)

_____ towards the finish line, while my little brother ran (7) _____

behind me. He didn't warm up (8) _____ before the race, so he got tired quickly.

Later, we played games. My friend likes to play chess, but he plays it (9)

_____, so I won easily. After that, we played music. Some of my friends

played their instruments (10) _____, while others played (11)

_____, which gave us all a headache!

At the end of the day, we packed up our things (12) _____ and walked home

(13) _____. Even though our raft sank, we all laughed (14) _____

because we had such a fun time. My little brother, however, walked (15) _____, still upset about losing the race.
