UNIT 7: MY FREE-TIME ACTIVITIES

READING

A. Read and answer:

Hi, Tom,

What do you do after school? When I finish school, I go to the park near my house and see my friends. We usually stay for an hour every day. We talk about our guitar lessons (we go on Fridays), and what we're going to do over the weekend. I don't stay for more than an hour because I play volleyball every Monday and Wednesday. On Tuesdays, I have extra guitar lessons. Every night, I chat online for an hour with my friends.

Please write soon and tell me what you do in your free time.

B. Read and answer:

Hi, Jasmine,

It's great to hear from you. After I finish school, I do martial arts. It's fun, and I like to exercise. I do martial arts every day with my brother. I also take guitar lessons, but my lessons are on Wednesdays. On Saturdays, I go diving at the swimming pool near my house. But I am not very good at it.

I usually chat online with my friends on Sundays. I don't do much on Sunday. I like to relax.

Keep writing!
