Emma's Old Toy

Emma is a high school student. One day, she went to a flea market with her friends. The market was very big, and so many items were being sold. While they were walking around, Emma found (***21***) at one of the shops. It looked very similar to the old toy she used to play with when she was little. So, she picked it up, and soon, she was very surprised because she found her name on it.

Then, a little boy came up to Emma. She immediately knew from his face that he (***22***). So, she passed it to him and told him to take good care of it. She could not believe she had found her old toy by chance after so many years. She could not stop smiling for a while because it reminded her of so many old memories that she had.

(21)

1 an old book
2 an expensive bag
3 something familiar
4 something new

(22)

1 wanted her old toy
2 was looking for his mom
3 was selling the toy
4 was talking to her
