

READING PART 6: OPEN CLOZE GAPS FILL. FILL IN THE GAPS WITH ONE WORD

### The art of lying

We all tell lies, even those of us \_\_\_\_\_ look like butter wouldn't melt in their mouth, those who claim never to lie are doing just that, lying. So why \_\_\_\_\_ humans lie? One think to take into account is that lying isn't always \_\_\_\_\_ bad thing. We lie to avoid hurting a person's feelings, we lie to help people feel better \_\_\_\_\_ themselves. For example, \_\_\_\_\_ your wife asks if her bum looks big in her jeans. Basically, we lie to try to make \_\_\_\_\_ world a better place. However, there are those who lie for their own advantage, out of deceit with bad intentions. These types of liars are dangerous and are obviously lacking is moral fiber.
