Digital Life: Our Daily Habits

Many people today **(1)** _____ photos and videos to **(2)** _____ internet to share with friends. Some even **(3)** _____ old posts to keep their profiles clean. Have you ever **(4)** _____ an app that you didn't really need? Last week, I **(5)** _____ three new apps, but I only use one of them now.

It is important to have a different **(6)** _____ for each website you use. Some people often forget their passwords, so **(7)** _____ write them down in a notebook. A few days ago, I accidentally **(8)** _____ an important **(9)** _____ from my laptop, and I couldn't recover it!

I rarely listen **(10)** _____, but my friend often shares **(11)** _____ to interesting ones. Have you ever done **(12)** ____ for your own name online? I tried it once and found some surprising information! Also, last month, my computer got **(13)** _____ because I clicked on a suspicious link. Now, I am much more careful when browsing websites.
