II. **Read the following text and do the exercises.**

Sandra moved to Canada last month, she lives near her university. Every morning she wakes up at eight o'clock in the morning. She does yoga first and then she takes a quick shower. For breakfast she usually, has an avocado toast and a coffee with milk. At ten o'clock, she takes a bus to go to the center. She starts working at half-past ten and finishes working at 2:00 pm. For lunch Sandra usually goes to the cafeteria and order a Spanish omelet and a salad. Sometimes, she goes to an Italian restaurant to eat some pizza. At half-past three, she takes a bicycle to go to the University. Right now she is earning a master's degree in English studies. She has classes from 4 to 8 o'clock in the evening. After classes, sometimes she goes to the gym or goes out with her friends but most of the time she prefers to go to her department and rest. Before going to bed, she reads a book or watches an episode of her favorite series.
