

## Three great TV shows

### A *Active Art*

*Active Art* is a new show for 12–15-year-olds. Each week, the world-famous artist Tony Moldino shows viewers how to make an amazing work of art. He's great in front of the camera and surprisingly funny. Last week's show was all about painting faces. This week, it's drawing with pencil and next week, it's digital photography. You can see *Active Art* every Tuesday and Thursday at 5.00 p.m.

### B *Dance!*

*Dance!* is a new drama for teenagers, about the lives of teachers and students at a dance school in New York. The most important person in the story is Tina Giles, a young girl from a poor part of town who dreams of becoming a big star. On her first day at the school she meets Joe, Heather and John. They become close and together they have many exciting adventures. *Dance!* is on every Monday night at 7.00.

### C *You and Me*

The new series of *You and Me* returns this Saturday at 16.00 p.m. with a special show that's twice as long as usual. This show is perfect for the whole family to watch together, as everyone will find something to laugh at. Each week, we get a different story about the life of Harriet, a high school student. In this week's episode, her younger brother gets a part in the school play. Harriet wants to be in the play too and does everything she can think of to make this happen!
