What should I do to be healthy?

D. Read the text and choose the words to complete the text.

In our science class yesterday, we learned (0) **about** health and how to be healthy. Our teacher said we should (1) lots of vegetables and fruit. We shouldn't eat fast (2) or candy because they're bad for our bodies and teeth. And we (3) eat too much. My classmates like having snacks all the time, and that's bad. My teacher said we should have only one or two (4).....a day. Our school has a small vegetable garden. We sometimes go there and learn how to grow food. We also sometimes go to the cafeteria and learn how to make salad or cook vegetables. (5)..... really cool.
