My beach holidays

I went to the beach last summer. The weather was sunny and warm. I stayed in a small hotel near the sea. Every morning, I ate toast and fruit for breakfast and drank orange juice. After breakfast, I walked on the beach and collected shells. I played volleyball with my friends and swam in the ocean. One day, I went to Blue Island and took many pictures. In the afternoon, I visited a small café and drank lemonade. In the evening, I watched the sunset and listened to music. I enjoyed my holiday a lot!
