DO YOU HAVE ANY FREE TIME?

Birgit from Germany

I do something most nights. **On** Mondays and Wednesdays, I go to an English class, and **on** Tuesdays, I usually go to the cinema with friends, because the tickets are cheap then. **On** Thursdays, I always go **to** the gym. I usually go out dancing **on** Saturday nights. I often get home at four or five in the morning, so **on** Sundays, I sleep! I sometimes get up at three **in** the afternoon.

Frankie from the UK

Free time? I don't have any free time because I have my own business. I occasionally go to a rock concert – about once or twice a year – and I sometimes go shopping **at** the weekend. I like buying expensive things with the money I earn. I have a really big TV and I have a very nice car.

Svetlana from Russia

I don't go out much **during** the week. I usually study **for** two hours in the evening. I never watch TV, really. I usually play the piano every day. It helps me to relax. Then I go to bed **at** nine or ten and read. At the weekend, I go out with my family to a park or the countryside, and we go **for** a walk. I sometimes go to a shopping centre with friends, but I hardly ever buy anything!
