

## Dream on

### **Cheryl / Guam**

If I had a million dollars what would I do? Well first, I would take a \_\_\_\_\_ of that money and put it into savings. That way I would not be able to spend that money later. Secondly, I would probably take some money and go traveling around the world. I would do everything that I've always wanted to do on my \_\_\_\_\_ in life. And lastly I would give money to charities and churches and the rest would be given to my family and friends and everyone I love would be given an amazing present.

### **Jake / United States**

I would buy an \_\_\_\_\_ house on a tropical island somewhere and a yacht and I would buy a very, very nice car and a private jet. I don't know if a million dollars would buy all this stuff now. But I would just spend my days enjoying life.

### **Nydja / United States**

If I won a million dollars I personally would ... I would probably quit work and apply to a better university. You need money to get into college in the states so that would really help me out. I think I'd definitely buy a new house, maybe not a \_\_\_\_\_ but I wouldn't be renting anymore that's for sure.

### **Jonathan / Canada**

If I won a million dollars what would I do? I don't have the need to have any special large \_\_\_\_\_ such as a house or expensive car. I think that I would put the million dollars somewhere safe where there is no risk of anything, like the stock market, and I would live off the interest for the rest of my life. Even in a very safe circumstance, \_\_\_\_\_ would probably be three or four percent being thirty or forty thousand dollars a year and I think that I could comfortably live off of that which would allow me to travel and see the places in the world that I haven't been to yet.

### **Mauro / Brazil**

Wow! This question's really \_\_\_\_\_. What would I do with a million dollars? Wow! I would probably invest all this money, but invest in my own businesses. These days I just think about making \_\_\_\_\_, starting a business, so I just want to work for \_\_\_\_\_, so I would probably \_\_\_\_\_ my money creating businesses and working for myself. It would be something really like that.

### **Nick / Australia**

A million dollars! If I won a million dollars, I'd go around the world. I haven't been to Africa and I'd really like to go. Secondly, I'd buy a really \_\_\_\_\_ house with a really big \_\_\_\_\_. Then after, if I had any money \_\_\_\_\_, I would invest. Maybe give some to my \_\_\_\_\_.
