Painting	***have***	***paint***	***visiting***	***won***

Hi, my name is Sarah. I ……..… a fun hobby. I love painting. I started ……..… when I was eight years old. I usually paint after school and on the weekend. My favorite things to ……..… are nature and animals. I like painting landscapes, such as mountains, rivers, and forests.

Sometimes, I join painting competitions. Last month, I ……..… first prize in a local art contest. I felt very happy and proud. My parents always support me by giving me new painting tools like brushes and canvases. I also like ……..… art galleries to get more inspiration.

I hope that one day, I can be a professional painter and open my own gallery.
