

GRAMMAR

FUTURE SIMPLE: WILL

will: prediction

We use *will* to talk about a future event, something that we think or predict will happen. We usually use the contraction *won't* (*will not*) for a negative prediction. After *will* / *won't* we use the infinitive without *to*.

Will for prediction (affirmative and negative)

| | | |
|---------------------------------|---------|--|
| I / You / He / She We / They | ✓ will | be successful. live in a flat. enjoy your job. |
| | ✗ won't | |
