

Let's learn more about one of Nati B's passions and interests: ROBLOX

Read this. Choose a word from the box. Write the correct word next to the numbers 1-5. There is one example (0).

Tom sat at his **0.computer**. He opened a game called Roblox. In Roblox, you can do many things. Tom was excited to explore.

First, he tried a game called *"Obstacle Course."* He had to jump over walls and 1._____ big stairs. Sometimes, he fell, but he got up and tried again. "I can do this!" he said. After some time, he finished the course and felt proud.

Next, Tom played a game called *"Car Race."* He raced a red car with other 2. _____. He drove fast and tried to avoid hitting anything. It was fun to race and go fast!

Then, Tom played a game called *"Pet Care."* He found a cute dog and took care of it. He fed the dog and played with it. The dog was happy and wagged its 3._____. "I love my pet!" Tom said.

Afterward, Tom tried building something in a game called *"Create Your World."* He made a small house with a 4._____. He added a little tree and some flowers in it. "I made a nice place!" Tom 5._____. He was happy.

Tom spent a fun day playing many games. He jumped, raced, took care of pets, and built things. "Roblox is so much fun!" Tom said, ready to play again tomorrow.
