The Mysterious Encounter

It had been a long day, and as I ... (1) home, I realized that the streets were unusually empty. Although I ... (2) this route many times before, something felt different that evening. As I passed an old bookstore, I ... (3) that its lights were still on, even though it had closed hours ago. I stopped, wondering if someone had forgotten to turn them off, but just as I was about to continue, the door creaked open. A man, dressed in an old-fashioned coat, stepped outside. He seemed to be searching for someone, but when our eyes met, he ... (4) into the shadows. While I was trying to convince myself that I ... (5) it, a newspaper ... (6) towards my feet. I picked it up, and my hands trembled as I read the date—it was from fifty years ago. Just as I was about to put it back down, I heard a whisper behind me. However, when I turned around, no one was there.

1	a) was walking	b) had been walking	c) am walking	d) has walked
