# Holidays

Identify and underline the verbs in the simple past.

Hi Rose!

We had a great time in Italy. We spent the first day on the beach. I went kayaking with Sam later we sunbathed on the beach.

Yesterday the weather was great so we went to the shopping district in the morning and we bought some souvenirs. After lunch, we played cards and board games.

Last night ate dinner at a pizza restaurant.

Back on Sunday. See you then!

Love,

Anna
