

## Curiosity in Breeze

Listen to the song and write two words of the adjective clauses in each clause.

[Verse] The world \_\_\_\_\_ beneath my feet.  
A place \_\_\_\_\_ and roads all meet  
The sun \_\_\_\_\_ with gentle heat  
So much wonder in each heartbeat

[Verse 2] The stars \_\_\_\_\_ in the night  
A sky \_\_\_\_\_ with endless light  
The songs \_\_\_\_\_ the air so bright  
Every moment feels just right

[Chorus] Life's a mystery full of clues  
So much more than just old news  
The questions \_\_\_\_\_ all pursue  
In every shade and hue

[Verse 3] Mountains \_\_\_\_\_ so high and strong  
A path \_\_\_\_\_ so very long  
The waves \_\_\_\_\_ their ocean song  
In nature's choir we belong

[Verse 4] The books \_\_\_\_\_ a thousand tales  
A ship \_\_\_\_\_ to sea with sails  
The wind \_\_\_\_\_ and never fails  
Adventure in the smallest details

[Bridge] Wonder in what you don't yet know  
In every seed \_\_\_\_\_ to grow  
The streams that guide you as they flow  
Curiosity will show
