destroy   is in danger   plant new trees
pollute the environment   save animals
sort rubbish

ECO-FRIENDS

The Earth *is in danger* !
We must do something!
Big factories ¹_____ !
If we don't do something, the air will be so dirty that we will not be able to breathe!
People ²_____ rainforests!
If we don't stop them, we will live in a world without animals and plants.
Our organisation helps to ³_____ ,
such as tigers and whales.
We ⁴_____ and produce new materials such as paper and glass.
We also ⁵_____ so that we can save the forests.
