The Lord's Supper - 15 MARKS

Carefully read the curriculum notes about the Last Supper.

Just before Jesus' death, He ate the Passover Meal, referred to as the Last Supper, with His disciples. He changed the Jewish Passover into a supper with special meaning. Today, Christians continue to commemorate the Lord's Supper in remembrance of Jesus' death and in anticipation of His coming (I Corinthians 11: 23-26). It is referred to as Holy Communion or the Eucharist in some churches.

The main symbols used during the Lords' Supper are the bread and the wine. Jesus said that the bread is His body. The wine represents His blood which is poured out for the forgiveness of sin and seals God's covenant. (Matthew 26: 26-29; Mark 14:22-26)

The Lords' Supper is observed by Christian churches all around the world. Some churches observe the Lord's Supper every time they meet for worship while others observe it once a week or once a month. In some churches, "feet washing" is practiced after the Supper is completed.

It is very important to observe the Lord's Supper with the right attitude. It is a time to sincerely reflect on the death and suffering of Jesus and to prepare our hearts for His coming. It is also a time for self-examination and fellowship. Apostle Paul warned the church at Corinth about dishonoring the Lord's body and blood. (I Corinthians 27-34)
