**Task 2: Read the text and write answer.****Countries and Their Cultures**

There are many countries in the world. Each country has its own language, food, and traditions.

For example, Japan is famous for sushi and cherry blossoms. People in Japan speak Japanese. They also celebrate a special day called Children's Day on May 5th. France is famous for the Eiffel Tower. People in France eat bread, cheese, and croissants. They speak French. One big holiday in France is Bastille Day on July 14th.

Brazil is a country in South America. It is famous for the Amazon rainforest and football. People in Brazil speak Portuguese. They celebrate Carnival with music and dancing.

Every country is special and has different things to see and do!
