Read the sample answer. Then write your own.

E.g.: Which job would you like to do in the future?

I think ***I'd love to work in*** *finance as an accountant. / I* ***'d like to work for*** *an insurance company as an accountant. I'm very good at math, I'm not so keen on talking with others, and at the same time, I want to work indoors, so I think being an accountant would be my best option.*

Now it's your turn to answer the question. (Please follow the sample answer)

_____

_____

_____

LIVEWORKSHEETS

2. **Complete the sentence with the correct preposition:**

3. **Complete the following letter using the adjectives in the box:**

optimistic	patient	calm	serious	hard-working	independent	decisive
easy-going	friendly	adventurous		organized	logical	determined

I've started my new job, and everybody has been very _____, inviting me to join them for coffee and lunch. Yesterday, I had a computer problem and had to ask for help, which I don't like doing. I prefer to do everything myself. You know how _____ I am.

Marco, my boss, is great. He is a very _____ person, always seeing the positive side of people and situations. At the same time, he is very _____ about his work and is _____ to make the company succeed. Sofia is another person on my team. She works hard but is always relaxed and _____. I wish I could be as _____ as her. You won't believe how long I spent yesterday trying to decide which task to do first. I am certainly not a _____ person! But at least I am becoming very well_____. I get to work on time every day and never forget my notes or office keys.

I also met Daniel, who is extremely _____ and always finds the best way to solve problems. He never rushes and stays _____ even when things go wrong. There's also Olivia, who loves new challenges and is very _____—she's already volunteering for the most difficult projects! Everyone here is so _____, and it motivates me to do my best. I hope I can learn from them and improve my own skills!
