Hi guys! I have a big exam on Friday. It's really hard to study. I read my study notes for an hour and then I watch really bad TV programmes! What about you? Do you worry about exams? What are your study habits? **MIMI23**

1 Yeah I hate tests. They're really difficult and I can't always remember everything. I need to study every day and make lots of notes. It's not easy but it helps to listen to R&B music – really loud! It helps me think. **SOUL BOY2**

2 I agree – exams and tests are really, really hard. In my study breaks I play with my pet rabbit. Some people say that animals stop stress and relax people. I think it's true, well, for me it is! Everybody needs a rabbit (or maybe a cat!) to help them study! **BUNNY LOVERS5**

3 I think it helps to have a good study routine. I make a study timetable and that helps me to pass my exams. I always plan lots of breaks and have a cup of tea and something small to eat. I don't want to get tired when I study! But the breaks are only short – about five or ten minutes. Then I go back to studying hard for one or two hours. Good marks come from lots of hard work! **SWOTTIE8**
