

RA1-Reading Worksheet No. 1

Content: simple past, reading and listening

Part A

Instructions: Read the given text and answer the following questions accordingly.

Yesterday, I **visited** the car workshop because my engine **made** a strange noise. The mechanic **checked** the problem and **explained** that the battery **needed** to be replaced. However, he **did not find** any issues with the transmission. He **removed** the old battery and **installed** a new one while I **sat** in the waiting area. After an hour, he **gave** me the keys and I **paid** for the service. Luckily, my car **did not break down** again on the way home!

1. Did you visit the car workshop yesterday?
2. Did the mechanic wash the car?
3. Did the mechanic remove the brakes?
4. Did you pay for the service?
5. Did the car break down again?

Part B

Instructions: Listen and complete with the correct word.

This morning, I _____ my car to the workshop because it _____ a strange vibration. The mechanic _____ the tires and _____ that one of them _____ damaged. He _____ replacing it and _____ a new one. While I _____, he _____ a small issue with the brakes. Fortunately, the new tire **arrived** quickly, and he **put** it on right away. In the end, I _____ home safely and **did not experience** any more problems.
