

[Verse 1]

Fussin' and fightin', we back at it again
I know that it's my you don't understand
I got memories, this is crazy
You ain't nothing like the girl I used to
Good with ma, good with pa, cool with all my ***
I should try, truth is I wanna let you in, but
Damn these memories, and it's crazy
You ain't nothing like the girl I used to

[Pre-Chorus: Omarion]

Girl, I really wanna work this 'cause I'm tired of

And I really hope you still want me the way I want you
I said I really wanna work this, damn, girl, I'm trying
It's no excuse, no excuse

[Chorus: Omarion & Timbaland]

I got this icebox where my used to be
Got this icebox where my used to be
(2x) *I'm so cold, I'm so cold, I'm so cold, I'm so cold*
I got this icebox where my used to be
Got this icebox where my used to be
(2x) *I'm so cold, I'm so cold, I'm so cold, I'm so cold*

[Verse 2]

Why can't I get it right? Just can't let it go
I opened up, she let me, I won't feel that no more
I got memories (Uh), this is crazy (Uh)
She ain't nothing like the girl I used to

I don't mean to take it out on you, baby, but I can't help it
'Cause my heart is in the same old that baby left it (And I)
I apologize (For makin' you cry)
Look me in my eyes and promise you won't do me the same, yeah, yeah

[Pre-Chorus]

Girl, I really wanna work this out, 'cause I'm tired of

And I really hope you still want me the way I want you (Baby, I want you)
I said I really wanna work this, damn, girl, I'm trying (Oh, no, no)
It's no excuse, no excuse
