brilliant	clever	equal	exciting
favourite	popular	real	

A: I'm watching *Stranger Things* at the moment. It's already my [1] _____ show!

B: I've heard it's really [2] _____ around the world. What's it about?

A: A group of school friends in the 1980s.

B: Is it about [3] _____ life?

A: Not really. One of the friends, Will, goes missing. No one can find him, because he's in a different world, but he learns to use lights to communicate with his mum. Then, the friends meet a strange girl with a [4] _____ skill – she can move things just by thinking of them. The friends need this girl because they're going to fight the bad guys and none of them are particularly big or strong. With the girl and her skills, they can have a more [5] _____ fight.

B: It sounds very [6] _____!

A: It is, and scary. It's funny, too. There's a character called Steve. He's silly and not very [7] _____, but he makes me laugh.

B: I should watch it!
