The Recycling Song for Kids

1. Choose the correct option:

R.....ecycle me - don't just throw me away Someone else could use me again some day So ask this question before you use the bin - "Can I be recycled or used by you again?!"

A _____

I used to hold some drink

Am I now useless?

Tell me - what do you think?

No - they can melt me down

And make my plastic good as new! Or you could have some fun

What else could you turn me into?

Can you recycle plastic bottles? YES!!! Can you recycle candy

_____? NO!!!

R.....ecycle me - don't just throw me away Someone else could use

me again some day So ask this question before you use the bin -

"Can I be recycled or used by you again?!"

A cardboard _____ is

Now empty - what to do?

Go in the _____?

Or turn into something new?

Pack it down nice and small, Recycling takes it away -

Or why not think of

The things it can be when you play!

Can you recycle your old bandaids? NO!!! Can you recycle cardboard

_____? YES!!!

R.....ecycle me - don't just throw me away Someone else could use

me again some day So ask this question before you use the bin -

"Can I be recycled or used by you again?!"

An empty tin can

That once held your cat food

Throw it in the bin?!

No - that's wastage - that's no good! Rinse it out -

They'll melt it down and use the tin Or use it to make something

You love - that way, recycling wins!

Can you recycle your old tin _____?

YES!!! Can you recycle dirty napkins? NO!!!

R.....ecycle me - don't just throw me away Someone else could use

me again some day So ask this question before you use the bin -

"Can I be recycled or used by you again?!"
