

Look at your young men fighting
Look at your women _____
Look at your young men dying
The way they've always done _____
Look at the hate we're breeding
Look at the fear we're feeding
Look at the lives we're _____
The way we've always done before
My hands are tied
The billions shift from side to side
And the wars go on with brainwashed pride
for the love of God and our human rights
and all these things are swept aside by
bloody hands, time can't deny
and are washed away by your genocide
And history hides the lies of our civil wars
D'you wear a black armband when they
shot the man who said, "Peace could last
forever"? And in my first _____, they shot
Kennedy. I went numb when I learned to
see, so I never fell for Vietnam
We got the wall in D.C. to remind us all
That you can't trust freedom when it's not
in your _____

When everybody's fightin' for their
promised land and I don't need your civil
war. It feeds the rich, while it buries the
poor. You're power-hungry, sellin' soldiers
in a human grocery store. Ain't that fresh?
I don't need your civil war...

.Look at the shoes you're filling
Look at the blood we're spilling
Look at the world we're killing
The way we've always done before
Look in the doubt we've wallowed
Look at the leaders we've _____
Look at the lies we've swallowed
And I don't want to hear no more
My hands are tied. For all I've seen
has changed my mind. But still, the
wars go on, as the years go by with
no love of God or human rights
And all these dreams are swept aside
By bloody hands of the hypnotized
Who carry the cross of homicide
And history bears the scars of our civil wars
