

What is your favourite story?  
What is it about?

17 Listen and read.

Long ago and far away  
Is a land where our minds  
Can go and play.  
A land of princes,  
Queens and kings,  
Of dragons, fairies,  
And magical things.  
Just open a book,  
And it's yours and mine,  
That land of  
'Once Upon a Time'.
