

There Is

Song by Box Car Racer • 2002

This vacation's useless, these white pills
aren't kind I've given a lot of _____
on this 13-hour drive I miss the grinding
concrete where we _____ past eight or
nine And slowly _____ laughing in
the glow of the headlights.

I've given a lot of thought to the nights
we use to have The days have come and
gone, our lives _____ by so fast I
faintly remember breathing on your
bedroom floor Where I laid and _____
you but you swear you _____ me more.

Do you care if I don't know what to say?
Will you sleep tonight? Will you think of
me? Will I shake this off? Pretend it's all
okay That there's someone out there
who feels just like me
There is

Those notes you _____ me, I've
_____ them all I've given a lot of
thought of how to write you back this
_____ With every single letter in every
single Word There will be a hidden
message about a boy that loves a girl.

Do you care if I don't know what to say?
Will you sleep tonight? Will you think of
me? Will I shake this off? Pretend it's all
okay That there's someone out there who
feels just like me

There Is

//Do you care if I don't know what to
say? Will you sleep tonight? Will you
think of me? Will I shake this off? Pretend
it's all okay That there's someone out
there who feels just like me//

There is.
