2. Установите соответствие между текстами A–E и рубриками 1–6. Используйте каждую рубрику только один раз. В задании одна рубрика лишняя.

1. **Local specialties**
2. **Russian wildlife**
3. **Transportation options**
4. **Popular travel destinations**
5. **Climate extremes**
6. **Cultural events**

A. Russia has some of the most extreme climates in the world. In Siberia, temperatures can drop below -50°C in winter, while in the southern regions, summers can be extremely hot. The country's vast size means that different regions experience completely different weather patterns throughout the year.

B. Every year, Russia hosts the White Nights Festival in St. Petersburg, a celebration that takes place when the sun barely sets at night. The festival includes open-air concerts, ballet performances, and fireworks. It is one of the most famous cultural events in the country.

C. Russia has a unique variety of wild animals, including the musk deer, which has small fangs instead of antlers. The Siberian husky, originally bred for pulling sleds, is also famous worldwide for its endurance and intelligence. Many of these species have adapted to survive the harsh Russian winters.

D. Russian cuisine is famous for its warming and hearty dishes. Olivier salad, a mix of potatoes, eggs, vegetables, and mayonnaise, is a favourite at holiday celebrations. Another well-loved dish is pirozhki, small pastries filled with meat, vegetables, or sweet fillings.

E. Moscow and St. Petersburg are the most visited cities in Russia, offering world-class museums, theatres, and historical sites. However, nature lovers often travel to Lake Baikal, the world's deepest freshwater lake, or take the Trans-Siberian Railway for a once-in-a-lifetime journey across the country.
