h. Read and complete

This year our school, Edinburg Castle School " " (take) part in the program "Let's Save Nature" this program tries to help both animals and plants in our countryside beaches and mountains.

Animals and plant (disappear)

because we humans (not take) care of them. We
(throw) our rubbish in the sea on the streets and in the country.

The animals (get) trapped in the plastic bags, or
(get) ill because they eat plastic wrappers. Plants (die)
because we (throw) chemicals are rubbish in the forest.

Forest fires are also killing thousands of animals and plants.

Our school is now helping. We (collect) rubbish from the beaches in our city and telling people no to throw anything of them we are also collecting used batteries and other dangerous materials.

And you? What to help animals and plants (you / do) ?

(you / litter) the beaches and the country or
(you / put) your rubbish in the correct places?

Please! , help animals, don't litters.
