

Complete each gap in the text with a word formed from the word in brackets.

### Shopping abroad

In many countries, haggling is a <sup>1</sup> \_\_\_\_\_ (CULTURE) tradition more than a way of saving money. The problem is that people who aren't used to it tend to feel <sup>2</sup> \_\_\_\_\_ (SECURE) about using the technique. Before starting out, you should have shopped around to give you an idea of prices, so as not to be <sup>3</sup> \_\_\_\_\_ (CHARGE). If you're a beginner, bear in mind that the stall <sup>4</sup> \_\_\_\_\_ (HOLD) has far more experience than you, so you should not <sup>5</sup> \_\_\_\_\_ (ESTIMATE) his or her skill. On the other hand, there's no point in being <sup>6</sup> \_\_\_\_\_ (PUSH), as they are unlikely to offer you a good price if they think you're rude. The most <sup>7</sup> \_\_\_\_\_ (EFFECT) strategy is to pretend that you don't care about the item if the seller refuses to lower the price. Just act as though you're not <sup>8</sup> \_\_\_\_\_ (INTEREST) and walk away, and the trader will probably come after you.

### 3 Choose the correct words in these sentences by Cambridge First candidates.

- 1 The journey doesn't take too long *unless* / *if* it rains, and then it takes ages.
- 2 I think it's safe for children to go to school by bike *unless* / *provided that* they don't live too far away.
