There were <sup>1</sup>lots of / any traffic jams in my city. It was a big problem because there <sup>2</sup>were / was lots of pollution as well. There <sup>3</sup>were / weren't many trees either, so there wasn't any <sup>4</sup>clean air / tree trunks. This changed over the years. There are now many trees and two new parks. There wasn't a lake but they made a new one. There weren't <sup>5</sup>some / any animals in that area. Now it is full of birds and fish. There were <sup>6</sup>any / some flowers along the side of the streets, but now there are many more. My city is a lot cleaner and more colourful.
