

GRADE 4 - UNIT 6 – DESCRIBING - LESSON 2

A. Read and complete.

This is a picture of Kim, my best friend. She's nine years old, and she's in my class. She's tall and (1) slim. She has long blond hair, and big (2) _____. Jane's standing next to her. They're twins, but they look different. Jane has short black (3) _____. Her eyes and (4) _____ are small. She's tall but quite big because she likes eating (5) _____. I love them because they're lovely.

Example

slim

eyes

pizza

hair

nose
